

Andrew's song, from about 1972

Tune: Du Du Leigst Mir Im Herzen

1. Jesus, how we long for Thee,
Come, Thou, be with us still,
Thou, our Bridegroom and Lover,
Only this vessel can fill.
Yes, Lord, Thou Lord,
Only this vessel can fill.

2. Take me, Best Love, o take me!
By thy compassion sway
My heart, will, and emotion,
Burn all the idols away.
Burn, burn, burn, burn,
Burn all the idols away.

3. Guard me in thy affection,
Keep me simple and chaste,
Whom have we in heav'n but Thee,
None on earth long we to taste.
Jesus only! None on earth long we to taste.

4. Time takes moment by moment
Our hearts closer each day
To Thee, Lord, we beseech Thee:
Come quickly, even today!
Amen Jesus,
Come quickly even today.
